## WELCOME ADDRESS

I am proud that Belgrade, for the first time in the history of women's tennis, is hosting a WTA 250 series tournament, making the Serbian capital a new home of tennis, not just for the best men tennis players, but also the ladies in the sport. Serbia Ladies Open will be organized in accordance with all the epidemiological rules and measures prescribed by the Serbian Government, and defined by WTA. We are certain that this tournament, after the excellently organized 2021 Serbia Open and the praise it received, will once again show that Serbia, Belgrade, and we as organizers, are good hosts and a reliable partner in promoting sports and tennis.

**S**erbia Ladies Open will have a completely different branding compared to the previously organised Serbia Open. During the WTA tournament, courts will be purple, further improved and flattened for the best possible performance of the players. Some of the best-ranked tennis players – among top 30 and 40 in the world – will play at Serbia Ladies Open. As organisers, we strived to ensure special invitations for as many of local tennis players as possible, so that they can show themselves in the best possible light. Another good thing is that Serbia Ladies Open is perhaps a somewhat easier tournament for our tennis players, so that they can achieve the best results possible, which is our goal as organisers.

Serbia Ladies Open matches will not be played in front of an audience. Still, we prepared a unique experience for all tennis fans. Matches will be broadcasted on the RTS and Arena Sport channels, and we believe that entire families, like it was the case with Serbia Open, from the youngest to the oldest members, will enjoy great matches including their favourite players. In the organisational sense, everything is still focused on making sure everything is at the highest level, to provide maximum security, safety and support to players participating, and thus enable them to give their best on the courts.

Organising the first WTA 250 series tournament in Belgrade is a major success for the Serbian capital and the local tennis scene. We hope that we will show the utmost professionalism and hospitality this time as well, and enable women tennis players to fight to the top of the tennis world through tournaments in their country, showing that we are good ambassadors of tennis and sports in general.

DIRECTOR, SERBIA LADIES OPEN

## POZDRAVNA REČ

Ponosan sam što je Beograd prvi put u istoriji srpskog ženskog tenisa domaćin WTA turnira serije 250, čime je srpska prestonica postala novi dom tenisa, ne samo najboljim teniserima već i damama u belom sportu. Serbia Ladies Open biće organizovan u skladu sa svim epidemiološkim pravilima i merama koje je propisala Vlada Republike Srbije i koje je WTA definisala. Sigurni smo da će ovaj turnir, nakon sjajno organizovanog Serbia Opena 2021 i pohvala koje je dobio, još jednom pokazati da su Srbija, Beograd i mi kao organizatori dobri domaćini i pouzdan partner u promociji sporta i tenisa.

**S**erbia Ladies Open imaće kompletno drugačiji brending u odnosu na prethodno organizovani Serbia Open. Tereni će tokom WTA turnira biti u ljubičastim bojama, dodatno su unapređeni i poravnati za što bolji učinak igračica. Na Serbia Ladies Openu biće teniserke iz samog vrha – top 30 i 40 na svetu. Kao organizatori, nastojali smo i da što većem broju naših teniserki obezbedimo specijalne pozivnice kako bi se pokazale u najboljem mogućem svetlu. Ono što je dobra stvar jeste da je Serbia Ladies Open možda malo lakši turnir za naše teniserke, da mogu da doguraju što dalje, a to i jeste cilj nas kao organizatora. Serbia Ladies Open igrače se bez prisustva publike. Ipak, za sve ljubitelje belog sporta pripremili smo jedinstveno iskustvo. Mečevi će biti prenošeni na RTS-u i kanalima Arena sporta, a verujemo da će čitave porodice, baš kao što je to bio slučaj i sa Serbia Open turnirom, od najmladih do najstarijih članova, uživati u sjajnim partijama omiljenih igračica. U organizacionom smislu, i dalje je sve podređeno tome da svaki detalj bude na najvišem nivou, da maksimalno pružimo sigurnost, bezbednost i podršku igračicama koje učestvuju, a time im omogućimo i da pružaju svoje najbolje partie na terenima.

Organizacija prvog WTA turnira serije 250 u Beogradu je ogroman uspeh za srpsku prestonicu i domaći tenis. Nadamo se da ćemo i ovog puta pokazati vrhunski profesionalizam i gostoprimstvo, da teniskerkama omogućimo da se probijaju na teniskoj mapi kroz turnire u njihovoj zemlji, a time pokažemo da smo sjajni ambasadori tenisa i sportsa generalno.

Dear

It gives me great pleasure to welcome you to the city of Belgrade for the exciting inaugural edition of the Serbia Open which will showcase the world's best tennis players.

Last season presented significant challenges - to tennis, the sports industry and the world as a whole - and the WTA with everyone is still navigating safely through these unprecedented times. Whether you are with us at the beautiful Novak Tennis Centre or following the event remotely via broadcast or the Tour's digital platforms, we hope you enjoy the action, entertainment and inspiration the athletes of the WTA provide. It's because of our loyal fanbase that tennis is the leading global sport for women. It has required tremendous hard work and collaboration to be able to stage the Serbia Open this year, across sponsors, local suppliers, dedicated tournament staff and volunteers, and I would like to express my sincere thanks and appreciation to the team in Belgrade and the government of Serbia for their ongoing commitment to women's professional tennis. With the 2021 season underway, we remain optimistic that a return to normality in tennis and for the world is on the horizon, and I look forward to continuing the WTA story with you. Stay safe.

Dragi  
ljubitelji tenisa,

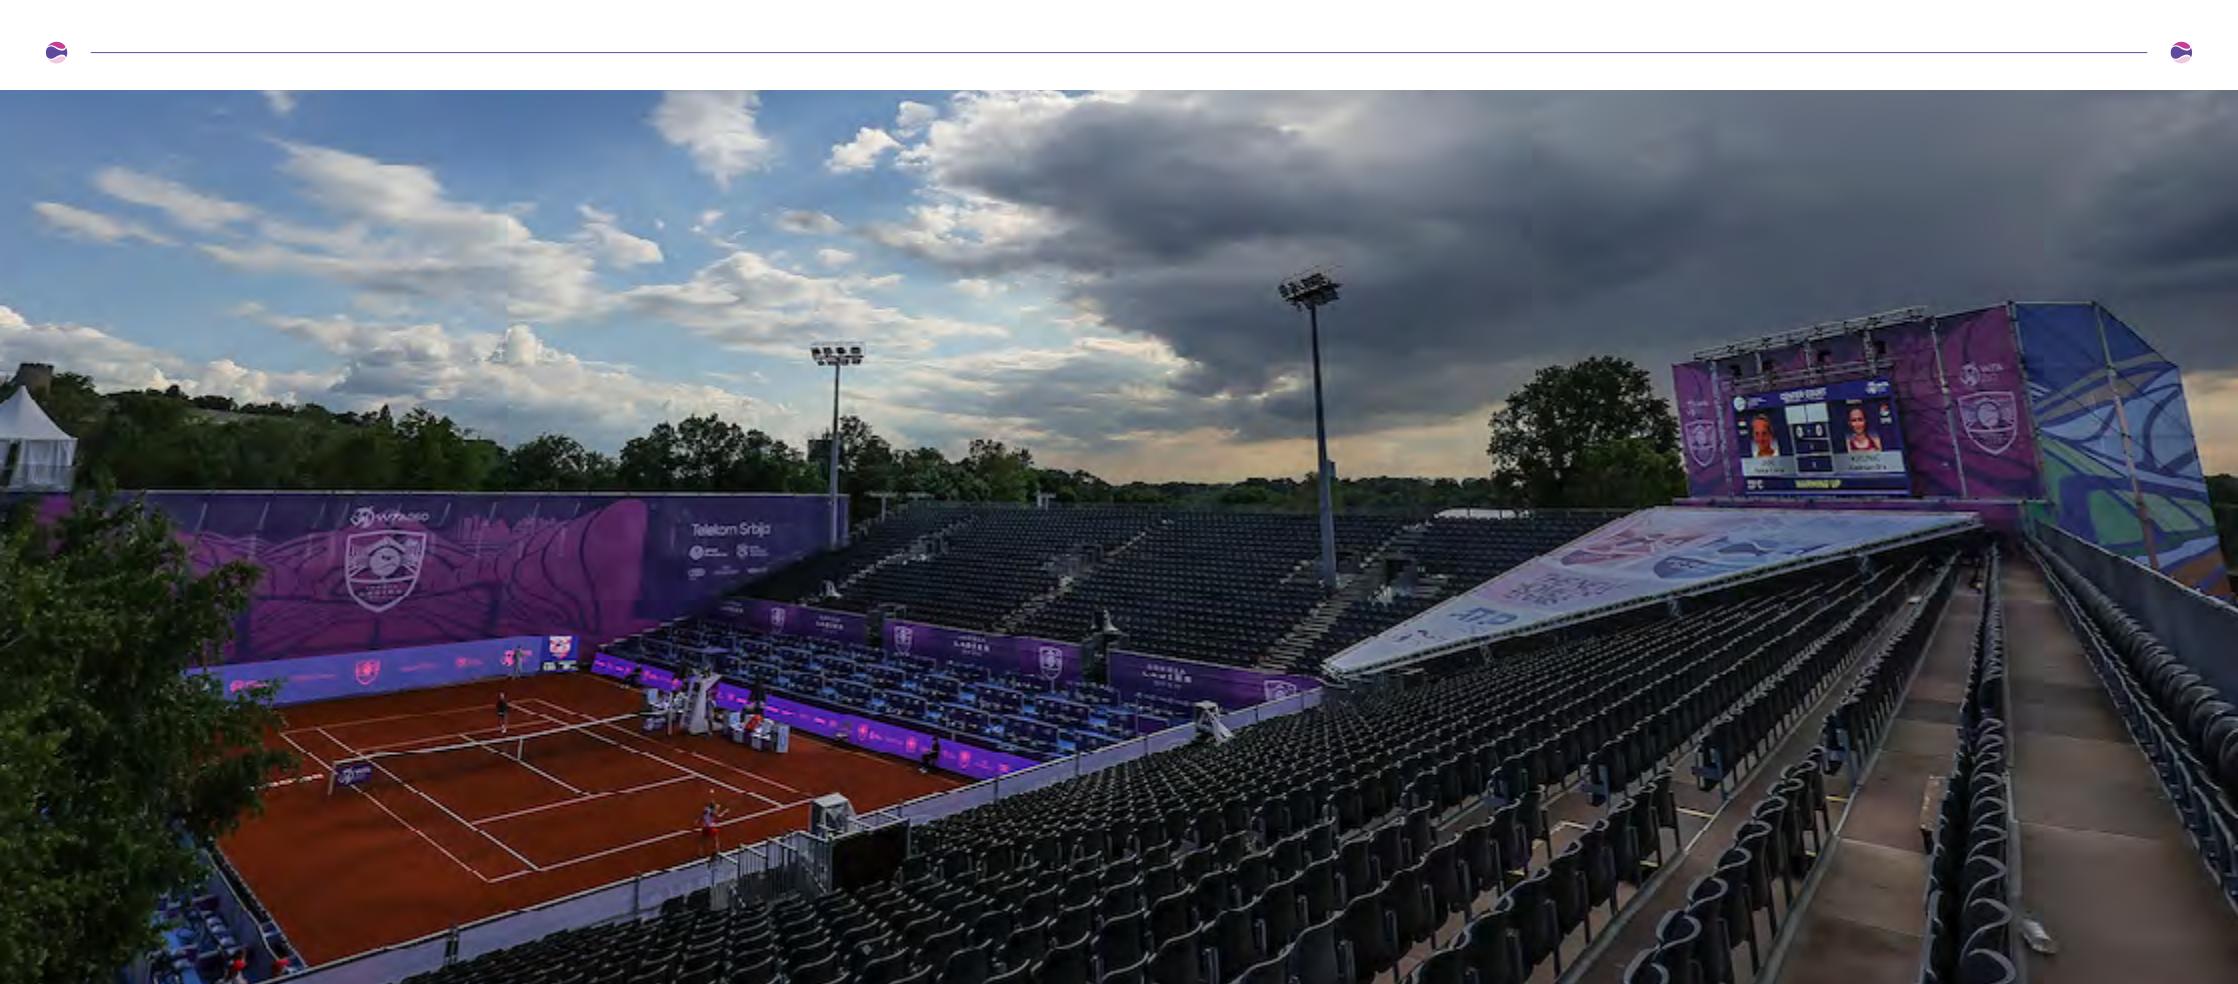

Veliko mi je zadovoljstvo da vam poželim dobrodošlicu u grad Beograd na uzbudljivo inauguracijsko izdanje Otvorenog prvenstva Srbije, gde će se prikazati najbolji teniseri sveta.

Pošla sezona je donela značajne izazove – za tenis, za sport i za svet u celini – a WTA zajedno sa svima još uvek bezbedno putuje kroz ova neviđena vremena. Bilo da ste sa nama u predivnom Teniskom centru "Novak", ili da pratite dogadjaj iz daljine putem prenosa ili digitalnih platformi Tura, nadamo se da uživate u akciji, zabavi i inspiraciji koju WTA sportisti pružaju. Zahvaljujući našim lojalnim fanovima, tenis je vodeći globalni sport za žene. Organizovanje Otvorenog prvenstva Srbije u tenisu je zahtevalo mnogo napornog rada i saradnje, sa sponzorima, lokalnim dobavljačima, od posvećenog osoblja i volontera turnira, i ja bih želeo da izrazim svoju iskrenu zahvalnost i priznanje timu u Beogradu i Vladi Srbije za njihovu kontinuiranu posvećenost profesionalnom ženskom tenisu. Sa sezonom 2021. u toku, ostajemo optimistični da je povratak u normalnost za tenis i za svet na vidiku, i radujem se nastavljanju WTA priče zajedno sa vama. Budite bezbedni.

Srdačno,
